My dear Commissioner.

Please refer to my D.O. letter
No 824 of 21. 4. 11 re Driving Cars
for the use of His Highness on
Railway journeys. It has since
been ascertained that the order
for these cannot be placed with
any of the Railway Companies
for execution in their own workshops

and that the cars must be
got built by some private firms
who undertake work in this
line. After some enquiry it
was considered desirable to place
the order with Messrs Burnett
& Howrah. who. I may add.
for your information. have now
in hand an order from the S. I. Ry
for nearly seventy metre gauge bogie
coaches. They have all facilities
to do the work satisfactorily and

They assure me that their work with be quite up to the standard insisted upon by the Railway Board. I have consulted both Messrs Vishnu Narayan & Beames in this matter and am in possession of their views about it. So that now remains to be done is to find the money to build these cars. Messrs Burn & Co quote an aggregate of Rupees Eighty two Thousand for the two cars. and though this seems rather high yet I do not think there is any way out of it. His Highness would therefore be obliged if the Dewan could kindly see

his way to pass the money to
meet this Expenditure. I send for
the information of the Secretary
copies of a letter from Burn & Co
to me. about these cars and
as it will speak for itself. No
comment from me is called for.
As I should like to be able to
reply to Burn & Co as early as
possible would you please Expedite
your reply to this?

Yours Sincerely
P. Mayfield Woodhouse

Purna Raghavendra Rao,
Huzur Secretary to H.H.the Maharaja
of Mysore, Mysore.

Dear Sir,

Saloon Coaches.

With reference to the interview you had re above, we have now much pleasure in quoting Rs.46,000/- (Rupees forty-six thousand only) for the broad gauge Saloon, Drawing No.31897 and Rs.36,000/- (Rupees thirty-six thousand only) for the metre gauge saloon Drawing No.31898 delivered F.O.R. Howrah.

The Saloons would be made generally to the above drawings and specification sent under separate cover and nothing but the very best material would be used in their construction. With regard to inspection, we have at present an order for 71 Bogie carriages for the South Indian Railway which are being inspected by Mr.Spencer their District Loco: & Carriage Superintendent and we have no doubt that you could arrange for this gentleman to inspect the saloons during construction if you should desire to.

We could give delivery of the Saloons in about nine months from date of receipt of order and our terms of payment are:- 25% with order, 25% in three months 25% in six months from date of order and final 25% on completion.

We are putting the working drawings in hand and trust to receive your formal order in the course of a few days.

We are, Dear Sir,

Yours faithfully,
